Chapter 1: The Light

The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were.

The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were.

The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were. The lighthouse stood at the end of the long grey road, and every evening the keeper climbed its stairs to light the lamp. The ships far out at sea saw the beam and knew where the rocks were.
